

WOW ! it was a Party!

Thank you to Ethel, Sylvia, Val Chapman & Val Turner for organising this event!

The Christmas Party was different - with everyone bringing a plate of their favourite party finger food.

There were some wonderful dishes and everyone had a good time trying as much as they could.

Ethel made a large quantity of fruit punch which went very well.

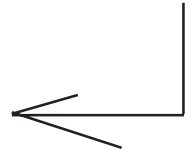

The fancy dress was very well received and the theme was to come as a painting or someone in the art world.

There were some very creative costumes.

The prizes: a bottle of white or red wine.

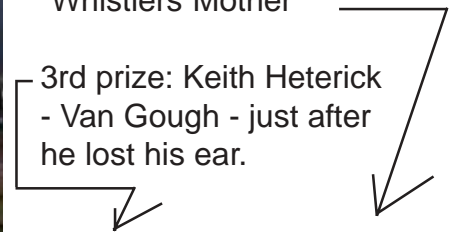

1st prize
Mary Kirkby
"Lady in yellow
and black "
by Ilya Repin
-Russian school
of St Petersburg

2nd prize: Allyson Turner
"Whistlers Mother"

3rd prize: Keith Heterick
- Van Gough - just after
he lost his ear.

The members had a great time catching up on old friendships and meeting new people. Events like this are needed to get us all together and thank you to all who attended.

Hope to see you all at any forthcoming events in
2008

Robin Wilson is well-known in the Redlands as a jazz musician and plays with his ensemble “Nuage” at Sirromet, Maggie Blacks Jazz restaurant, Restaurant 2 and elsewhere. Before he left England he taught music and played in the British theatre including Royal Command performances and at Jazz Clubs in Africa, Europe and the Middle East.

With this rich background it’s no surprise that he is also a fine artist, having exhibited at two major London exhibitions. Robin has recently joined Yurara Art Society and is looking forward to teaching at the studio - oil painting, water-based media and inks, and he is happy to help students of all levels to acquire skills and different ways of approaching their chosen methods in traditional or contemporary art.
